require well-functioning financial markets and institutions Over the past few decades, changing technology and improving communications have increased cross-border transactions and expanded the scope and efficiency of the global financial system Companies routinely raise funds throughout the world to finance projects all around the globe

### **INTRODUCTION TO CANDLESTICK PATTERNS**

Hanging Man The "hanging man" is the name given to a candle that is identical in shape to the hammer; the difference is that while hammers occur in downtrends, the hanging man pattern occurs in uptrends In this case, the wick extends down, contrary to the uptrend, and suggests the emergence of bearish demand capable of pushing the price down
